Friend George

July 16th 1898

I though I would write you a few lilnes to let you know that I am well and enjoying good health and hope you are the same we are having good weather but it is hot we are not drilling today and I am glad of it. We have a great deal of sickness with us now but thank God I am not one of them. I feeling good and getting fat my arm is well now it does me good too. We have big times at night there is lots of shooting and one of our boys on guard and a ball went thru his hat and a colored soldier shot so laid up now there is something like that going on every night for we want to go to the front so bad How is Wes getting along. well I must close for this time so good bye
