

Reconstruction of Plate

The red-brown, brown and olive-green cards were all printed in sheets of 30 on the same plate, 5 cards wide by 6 high. There were constant plate flaws for each position, so an entire sheet may be reconstructed. The principal plate flaw for each position is shown.

Position 1

Irregular frame line

Position 2

White spot over sky line

Reconstruction of Plate

Position 3

White spot under "o"; Line under "ost"

Position 4
