HOW TO ADDRESS & USE YOUR "GREET MORE" ENVELOPES
Follow these easy steps and save 5¢ when you mail your Holiday Greeting Cards within Canada.
1. Write the complete address on the Greet More envelope as you normally would. Print the destination postal code in the six (6) boxes provided. If your "Greet More" envelopes do not have the six (6) boxes for the postal code, just be sure to include the destination postal code in the mailing address as you normally would.
2. Refer to the postal code you have just written and mark the postal code grid by drawing a bold vertical line through the appropriate letters and numbers. Use a pencil or a blue or black pen. Be sure that your marks stay within the printed boxes.
For instance, this is how you would fill in the grid if the postal code were N6B 2H3.
3. Write your return address, including your postal code, in the upper left-hand corner or on the back if necessary.
4. Affix the special Greet More postage stamp in the upper right-hand corner of the envelope.
5. Seal and mail.
