

1860

POLAND NUMBER ONE

Issued under Russian domination for use on letters within the Polish territory and to Russia. The stamp pictures the Coat of Arms of the Polish Kingdom and was typographed in two colors on white paper of various thickness, perforated $11\frac{1}{2}$ to $12\frac{3}{4}$. Demonetized in 1865 and superseded by stamp of Russia. (Exists in various shades of blue and rose-carmine, and imperforate.)

First Day of Issue: January 1, 1860
