Some people can not see the  
use of these Columbus stamps.  
You wet them with a hose-pipe  
& glue them on with clamps.  
For wrapping third class matter  
they are very useful found.  
And for a sticky fly paper  
the very best around.  
Or for a porous plaster  
are speedy, safe & sound.  
I have heard so - I don't think!
