Sergio Sismondo

Philatelic Expert
Syracuse, New York & Ottawa, Canada

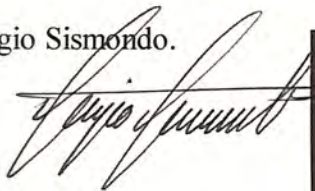

Syracuse, New York, 2002.03.12.

DENMARK, 1871.

I have examined the Official postage stamp issued by the Kingdom of Denmark on April 1st of 1871, "**Coat of Arms**" 4 Skilling carmine rose, perforated 12.75 x 12.75, on medium white wove paper with watermark "**Crown**", Scott Catalogue #04; Facit #TJ 4, used, tied to a small fragment by a three-ring numeral "**47**" cancellation with "**NIKJOBING P.E. 22 10 1 POST**" town cancellation alongside, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The fragment, stamp and cancellation are **genuine in all respects**. The stamp has fresh colour and is well centered. It has a few irregular perforations at bottom as is to be expected in stamps of this issue. Ex-Royal Archives. I have signed the fragment.

Sergio Sismondo.
