 Il Saltarello si gioca ripianando un sasso su una pista di neve. Su una pista di neve pacciata, preparata accuratamente nelle della città, si scivola a cavalcioni della scarannina, un piccolo seggiolino in legno.

Liscia is an old winter game, forerunner of bobsledding. On a carefully prepared frozen snow track in the city streets, one sits astride a little wooden seat called scarannina and slides down.

The game Saltarello is played by drawing with a chalk a special design on the road and throwing a pebble, in turns, into one of the seven boxes. The winner is the one who hops over all the boxes without touching the lines and retrieves the pebble.
