ROTARY - The Saar postal authorities had origi-
nally planned an engraved Rotary commemorative,
but for reasons of economy it was eventually
decided to do the job by photogravure. We
have succeeded in locating three original
proofs and three imperforate stamps in
sheetlet form of the engraved issue. These
are extremely rare and priced very reasonably
for Rotary exhibition material of this caliber.
I might safely say that these are "summer
prices":

3 original proofs, 3 imperf stamps
