ING. ALBERTO DIENA
VIA CRESCENZIO 19
ROMA

16th May 1967.

I have examined the set of surcharged stamps of Vatican City, 1934 : 40 c., L. 1.30, 2.05, 2.55, 3.05, 3.70, unused, with gum, a photographic reproduction of which is attached to this certificate.

In my opinion, the six stamps have genuine surcharges and original gum and they are in good condition: I initialed it.
