FIUME, 1919.

I have examined the sheet of 100 Newspapers and Periodicals postage stamps issued by the Interim Autonomous Administration of Fiume in May of 1919, "**Eagle**", 2 centesimi yellow-brown, triangular stamp perforated 11½, lithographed at Trieste on medium white wove paper without watermark, Scott Classic Specialized Catalogue #P2; Sassone Catalogue Newspapers #3, unused, a colour reproduction of which is on the reverse side of this certificate, reduced to 40% of true size, and I am of the opinion that:

The sheet of 100 stamps submitted is **genuine in all respects**, unused, with full original gum and **never hinged**. The stamps have fresh colour and are entirely free from faults or repairs at the time of examination. A scarce sheet in excellent state of preservation.
