1952 3rd POSTAGE DUES SERIES

1951 OFFICIAL STAMPS

OF- Official Mail

Until February 1951 official inland regular mail was free and not franked. On 1st February 1951 were introduced four official mail stamps with the values of 5, 15, 30 and 40 Pr. These stamps were distributed to official offices for use on letters and PC inland. The value of the official stamps ("Bulei Sherut") correspond with the needs as following:

Official stamps period rates were:

Rate	Mail
5 Pr.	printed matter up to 50 gr
10 Pr.	post Card
15 Pr.	letter up to 30 gr
25 Pr.	Registration fee
40 Pr.	Express fee

On 30 June 1952 these stamps were withdrawn and all later official inland mail was stampless, therefore the life span of the official stamps was relatively short, about 187 months. In the period from 16 May 1948 until 01.02.1951 all official regular mail was stampless. For registered or express mail compulsory payment was imposed by using postage stamps for the R-fee or EX-fee.
