VIA DOGANA 3 - MILANO

3 Settembre 1981.

TURCHIA (Palestina): 1905, 10 para, verde grigio, usato su cartolina diretta a Leifers (Tirolo), ed annullato col bollo a doppio cerchio bilingue "Bur. Amb. Jaffa-Jerusalem/1 - 24 Aout 1906" (Sass. N. 107).

Ho esaminato la cartolina sopra descritta della quale ho unito una riproduzione fotografica al presente Certificato.

A mio parere la cartolina, con il suo raro annullo, è originale, ma il francobollo è difettoso; l'ho ugualmente firmata dato l'interesse del suo annullo. x x x x x x x x x x x x x x x x x x x x x x
