Post Office Department
Office of Appointments
Aug. 24th 1830

Sir;

The postmaster of Tower Hill has applied to this Department to change the name of his office to South Kingston — the name it formerly bore. He states, that the Kingston & Wakefield offices claim the right to open, & in some instances, retain the mail directed to Tower Hill; also that many mails are still addressed to South Kingston, when, in fact, there is now no office of that name.

The Postmaster General wishes to know your views on this subject.

I am, Sir, respectfully
Your obedient servant

Sylvester Robinson Esq
P.M. Wakefield, Washington C.R. Island.
