JAMMU AND KASHMIR, 1874-1876.

I have examined the postage stamp issued under the authority of the Maharaja of Jammu and Kashmir, in 1874-1876, "**Dogra Sun in circle**" 1 anna pale blue, printed in watercolours (watery impression), imperforate, on medium greyish horizontally laid paper without watermark, of average thickness 0.105 mm, Stanley Gibbons 2013 Catalogue #18 variant; Scott Catalogue #30 variant, uncanceled, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp submitted is **genuine in all respects**, unused; it is cut square, with clear ample margins on all four sides. The stamp is in sound condition, being free from faults or repairs at the time of examination. An unusually pale shade of blue. I have the stamp in order to attest to its authenticity.
