The Prince Edward Island 6penny die proof
not discovered until the early 1940s.
raise money for the Red Cross during the
, the die proof was reprinted in several
ors for sale following which the original
e was given to the Royal Philatelic Society.
e remainder of the reprints were aquired
H.R. Harmer. Finally, these remainders were
chased in 1971 by K Bileski and I was
e to purchase one of the few complete sets.
are beautifully produced carefully
