May 21/87. Sunday.
 EGYPT. This is quite a flock.
 Of all appearances
 there must be a great deal of wealth
 in ALEXANDRIA. The money officers
 say well, and they go to U.S.A.
 many very fine shops. The
 place looks very much. Oh but
 what a change in climate.
 Would you believe it I am wearing
 my heavy gray coat and white
 I was travelling on the River
 Nile. It was very warm indeed
 as we are stopping at the lodge.
 I am writing this card while
 I am waiting for the boat to go
 to a little boat. With love to
 your mother.
