"PHILATELIA"

4, HAMASHBIR STREET

TEL-AVIV, PALESTINE

The Taxi Mail service between Jerusalem and Tel Aviv was instituted for speed and safety. A letter was consigned by taxi as a parcel to destination where it was posted for delivery. The Israeli Govt. later recognised the custom and the Taxi Companies have to pay to the Govt. part of the fee for each letter.

ALGERIA (1960) Jewish Chaplain. Exceptional free frank postmark from the Jewish Chaplain: BENDAVID on cover addressed to a Jewish soldier in North Africa. This handstamp was used during the Algerian war. "Poste aux Armées, Afrique du Nord (A.F.N)" circular date cancel of June 21st. This is the first time we have seen this free frank handstamp, which must be quite rare as other specialists in 20th century French postal history we have consulted have not seen it either! The contingent of French Jewish soldiers must have been very small during the Algerian war. Very interesting content: response from the chaplain indicating that he had obtained from his military superior the authorization for the soldier to go to his brother's Bar Mitzvah. Rare historic document! \$200
