Covers with 40 sen values.

5.2. & 5.3. The Issues of 1975-76
Postcards with 40 sen values.

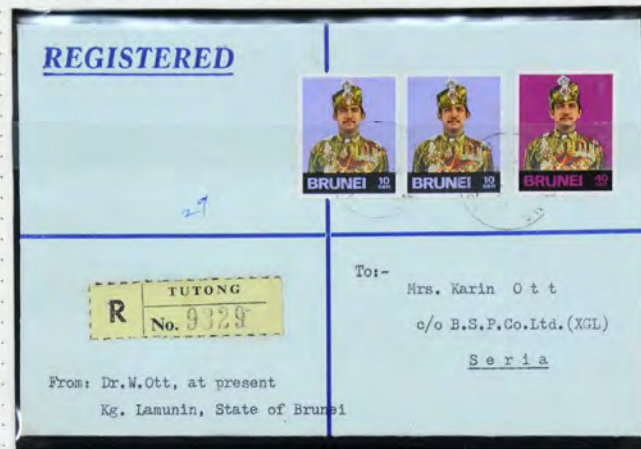

Two postcards from Bandar Seri Begawan to Portugal dated 12 DEC 1978 and to England dated 23 SP 1982. The franking of 40 sen corresponds to the postage schedule of 1.1.1979 for Europe.

5.2. & 5.3 The Issues of 1975-76

Covers with 40 sen values.

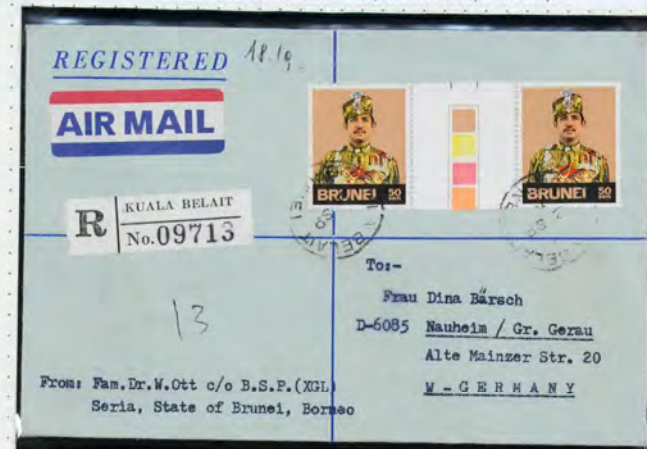

Local registered cover with the correct franking of 60 sen from Kg. Lamunin (Tutong) to Seria and registered air mail cover from Seria to Nauheim, Germany, dated 31 JY 76.

5.2. & 5.3 The Issues of 1975-76

Covers with 50 sen values.

Above, registered air mail cover with total franking of \$1.50 (50 sen on reverse side) from Kuala Belait (2 SP 75) to Nauheim, Germany. Registration chit inside. Below, registered cover from Tutong (7 MY 85) to Wewak, Papua New Guinea. Backstamps of Boroko (12 MY 85) and Wewak (13 MY 85).

5.2. & 5.3 The Issues of 1975-76

Covers with 50 sen values.

Above, air mail cover from Bandar Seri Begawan (16 MAR 1982) to Karachi, Pakistan, with the correct postage of 50 sen. Below, local cover with recorded delivery from and to Bandar Seri Begawan (28 MAR 79) with correct franking (50 sen recorded delivery and 10 sen normal postage).

5.2. & 5.3. The Issues of 1976-76.

Covers with 50 sen values.

Above, air mail cover from Bandar Seri Begawan dated 7 APR 1983 to Bad Kreuznach, Germany. Below, air mail cover from Bandar Seri Begawan dated 25 APR 85 to Wewak, Papua New Guinea. Both covers bear the correct franking of 75 sen.

5.2. & 5.3. The Issues of 1975-76.

Cover with 50 sen values.

Air mail cover from Bandar Seri Begawan dated 28 MAY 1981 to Glenolden, PA, USA. The franking of \$1 is correct (schedule of 1.1.1971). The departmental cachet, "H.H. (now H.M.) The SULTAN'S FLIGHT", was most probably used by the secretariat responsible for the organisation of his international travels.

The A340-200 aircraft is the Sultan's personal and aeroplane. It is luxuriously outfitted. He owns also an A340-212 and a B747-400 for the use by his family members.

5.2. & 5.3. The Issues of 1975-76.

Covers with 75 sen values.

Above: Air mail cover from Kuala Belait to 6085 Nauheim, Germany, dated 8 JY 76.

Below: Official air mail cover of the Department of Education from Bandar Seri Begawan to London dated 14 FEB 1977.

5.2. & 5.3 The Issues of 1975-76

Covers with \$1 values.

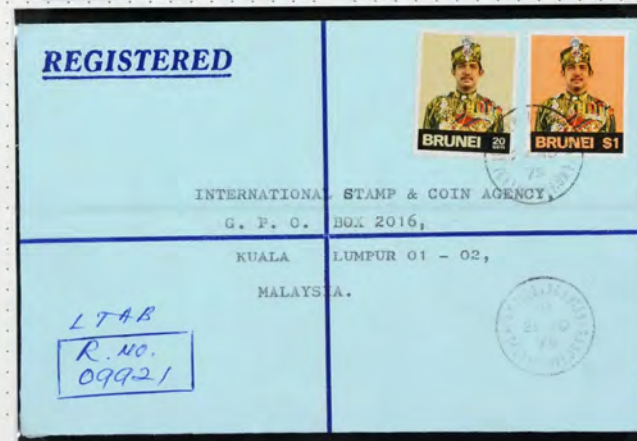

Above, registered air mail cover from Bangar (28 FEB 86) to Wewak, Papua New Guinea, with backstamps of Boroko (2 MR 86) and Wewak (4 MR 86). Below, registered air mail cover posted at the International Airport (10 DE 80) to Assen, Netherlands. The cover is over-franked by 25 sen.

5.2. & 5.3 The Issues of 1975-76

Covers with \$1 values.

Above, registered air mail cover from Muara (14 MR 77) to Assen, Netherlands. Backstamp of Assen (18.III.77). Below, registered cover posted at the International Airport (29 NO 79) to Kuala Lumpur, Malaysia (backstamp of 30 NOV 79). The cover has the correct franking of \$1.20 (20s postage plus \$1 registration).

5.2. & 5.3 The Issues of 1975-76

Covers with \$2 values.

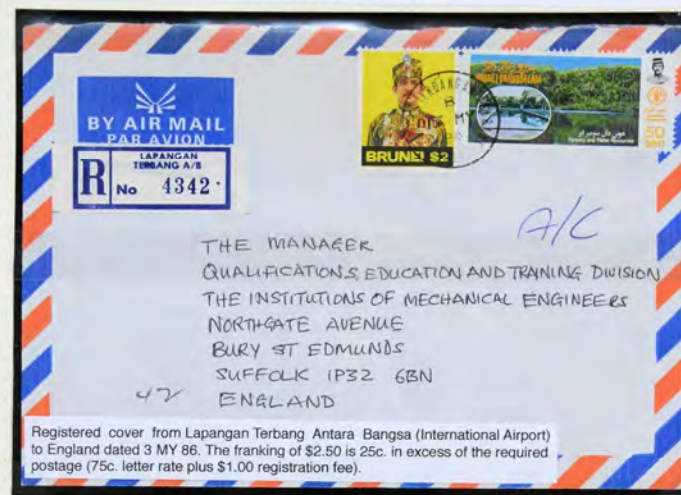

Above, registered air mail cover from Seria to Nauheim, Germany, dated 23 AU 75.
Below, express cover from Kuala Belait (6 ? 81) to Aylesbury, England. The franking of \$2.25 is correct: \$1.50 for express delivery, plus 75 sen air mail postage.

5.2. & 5.3. The Issues of 1975-76.

Covers with \$2 and \$5 values.

Registered cover from Lapangan Terbang Antara Bangsa (International Airport) to England dated 3 MY 86. The franking of \$2.50 is 25c. in excess of the required postage (75c. letter rate plus \$1.00 registration fee).

Registered airmail cover from Kuala Belait (13 AP 77) to the Netherlands. The use of the \$5 stamp is philatelic as only a total postage of \$1.75 was required (schedule of 1 May 1976).

5.4. The Issue of 1985-86.

The stamps were printed by Harrison & Sons Ltd. in photogravure in sheets of 100 (sen values) and 50 (dollar values) without gutter strips on paper watermarked "Harrison & Sons Ltd". Perforations are comb 13.25 x 14.25 for the sen values and 13.5 x 13.75 for the dollar values. The cylinder number, 1A, is repeated five times in the respective printing colours and is shown on the bottom right margin of the sheets. The issue was released in four instalments:

23 December 1985: 10, 15, 20 and 25 sen;
15 January 1986: 35, 40, 50 and 75 sen;
23 February 1986: \$1, \$2 and \$5;
29 March 1986: \$10.

The series was replaced by new definitive stamps on 9 October 1996, but continues to be valid for postage.
