TESTIMONIALS.

DEAR SIR—Your Morse's Indian Root Pills have made one of the most remarkable cures. A woman near me has been suffering with Gravel for forty-five years, and at times was expected to die. Last fall she went to Petersburg, Va , where she had a stone taken from her. In a short time she was just as bad as before the operation, and her friends gave her up to die. I sent her one of your pamphlets. Next day her mother bought a box of Morse's Pills. Before she had taken its contents she walked to my store. She has taken three boxes of your Pills, and says she is now as well as ever. This has made the Morse Pills very popular here.

C. M. WHITMORE,
Whitmore, Surry Co., Va.

DEAR SIR—Your Morse's Indian Root Pills have given universal satisfaction here. I can recommend them to be the best Pills now in use for Rheumatism, Neuralgia and Sick Headache. My wife has been afflicted with sick headache and rheumatic pains for thirty years, and has tried many sorts of medicine without relief, until she was unable to do her home work. I was advised by your agent to try Morse's Pills. She commenced using them, and in two months was able to do her work. By the use of three boxes of Morse's Pills she was cured. She would not now be without them.

W. H. COMSTOCK—About 1st of April last my little daughter was sick. I gave her one of Dr. Morse's Indian Root Pills at night; the next day she passed a tape worm (18) eighteen inches long. She is just four years old.

E. W. VERMILLION,
Rogersville, Hawkins Co., Tenn.

DEAR SIR—My daughter has been suffering for six or seven years. Some four doctors have tried their skill, but failed to make a cure. I paid $72.00, and all the relief she could get was to take morphine to keep her quiet. I commenced to give her Morse's Indian Root Pills. She is now well—which has caused the pills to sell well here. Have sent to me for them for over twenty miles.
