Warning - Please Read Carefully.

LUXEMBOURG, 1880-1881.

I have examined the postage stamp issued by the Grand Duchy of Luxembourg in 1880-1881, **"Coat of Arms"** 2 centimes black, from a worn impression, apparently imperforated, on medium white wove paper without watermark, Scott Catalogue #41, used, with a circular datestamp cancellation, dated 1872, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp belongs to the 1880-1881 issue, and has had its perforations trimmed attempting to **fake** a stamp of the 1860 issue. It also received a **forged cancellation.**

Sergio Sismondo.
