SERIES OF 1926-27

Map of United States

Map of United States

Map of United States

By 1925, air-mail, under government sponsorship, became well established, and as an aid to civilian aviation Congress decided to place this service on a contract basis with private flying interests and established a new rate of 10¢ per ounce up to 1,000 miles, 15¢ up to 1,500 miles and 20¢ beyond this mileage. For this service, three stamps in the denominations called for above were issued during 1926-27 with the central design a relief map of the United States

LINDBERGH

1927

Spirit of St. Louis

Issued to commemorate Charles A. Lindbergh's historic non-stop solo flight from New York to Paris in the famous "Spirit of St. Louis" in May of 1927, this stamp was placed on sale June 18, 1927

BEACON

1928

Airways Beacon

This stamp, engraved in red and blue, represents the beacon light on Sherman Hill, in the Rocky Mountains, with a mail plane in flight at the left. It was first placed on sale July 25, 1928, the rate becoming effective on August 1st.

1934

Emblem of Air Service

General acceptance of this faster method of mail service resulted in a heavy demand for air-mail stamps. This caused the discontinuance of the more cumbersome bi-color issue in favor of the speedier one color design. The issues above depict the insignia of an air-mail pilot. The 5¢ violet appeared by flat plate process, perforation 11 Feb. 10, 1930 and by rotary press, perforation 10½ x 11 Aug. 19, 1931. This same design was re-issued in 8¢ olive green color on September 26, 1932 to conform with the new air rate as well as was the 6¢ Orange value of July 1, 1934. Both these values were produced by rotary press, perforation 10½ x 11.

GRAF ZEPPELIN CENTURY OF PROGRESS FLIGHT

1933

Zeppelin Between Germany and Chicago

In conjunction with "A Century of Progress" Exposition in Chicago, Germany sent the Airship Graf Zeppelin as a messenger of good will. The ship carried special souvenir letters for which this 50¢ stamp was issued on Oct. 2, 1933.

China Clipper

1937

China Clipper

For the inauguration of air-mail service from the United States to the Philippine Islands November 22, 1935, a special 25¢ stamp was issued. The 20¢ and 50¢ values were placed on sale in conjunction with revised postal rates and the extension of the route to China. First day sale was at Washington, D. C. Feb. 15, 1937.

EAGLE

1938

American Eagle

As a part of the celebration of National Air-Mail Week and for greater efficiency in recognizing air-mail matter from ordinary mail, this stamp was placed on sale May 14, 1938, St. Petersburg, Fla., where the first air passenger flight was made, and Dayton, Ohio, home of the Wright Brothers, were the official first day cities.

TRANSATLANTIC

1939

Winged Globe

Similar in design to the "winged globe" designs of the early 30's, this 30¢ stamp was issued for the establishment of trans-Atlantic air-mail service from the United States to Europe. It was placed on sale at New York City May 16, 1939, eve of the inauguration of air service to Europe.

In order to provide a uniform series of air mail stamps of various denominations, this set of stamps was placed on first day sale at various philatelic conventions from June to October 1941. The eight cent value was added March 21, 1944 to cover increased wartime rates. While the rate was jumped to 8¢ per ounce, the soldier rate remained at 6¢ per ounce.

AIR MAIL SPECIAL DELIVERY

1934

Great Seal of the United States

The first combination adhesive to prepay two distinct types of service, this stamp for 6¢ air mail and 10¢ special delivery fee was first placed on sale at the American Air Mail Society Convention August 30, 1934 at Chicago, Illinois.

1936

Great Seal of the United States

Similar to the issue of 1934, this stamp, printed in red and blue, was placed on sale at Washington, D. C. Feb. 10, 1936. Its purpose was to make mail of this nature more recognizable for speedier service.

ISSUES OF 1946 TO 1948

1946

Four Motored Transport

A reduction in domestic air mail rates to five cents per ounce resulted in the issuance of this stamp on September 25, 1946.

1948

Four Motored Transport

So that vending machines may dispense air mail postage, this coil stamp was issued January 15, 1948.

1947

Four Motored Transport

To step up production of air mail stamps to meet the increased demands, the small size air mail stamp was issued March 26, 1947.

1947

Plane over Pan-American Union Bldg.

Plane over New York City

Plane over San Francisco

The ten, fifteen, and twenty-five cent air mail stamps were issued to conform with new foreign air mail rates inauguarated during the year. The ten cent value covers the rate to Central and South America, the fifteen cent value for European mails and the twenty-five cent value for Asia, Africa, and Australia.

Plane and World

In conjunction with the nations of the world honoring the Universal Postal Union, these stamps of the 10, 15 and 25c denominations were issued by the United States. The Universal Postal Union is a confederation of most of the civilized nations of the world for the purpose of facilitating the exchange of mail between countries under treaty. The headquarters are at Berne, Switzerland.

DIAMOND HEAD

1952

Diamond Head, Honolulu, Hawaii

The need for a high denomination air mail stamp for use with the new air parcel post service resulted in the issuance of this 80c air mail stamp which was first placed on sale in Honolulu, Hawaii on March 26, 1952.

AVIATION PROGRESS

1953

Wright Plane & Modern Plane

Fifty years of aviation progress was celebrated by the aviation industry in 1953. This also marked the fiftieth anniversary of the first successful flight by the Wright Brothers at Kitty Hawk, N. C. in 1903. The stamp was issued May 29, 1953 at Dayton, Ohio.

AIR CARD STAMP

1954

Eagle in Flight

January 1, 1949 saw the first application of a new 4c air mail postal card rate. To provide a special stamp that can be used on souvenir postal cards or other unstamped air postal cards, this 4c air mail stamp made an appearance September 3, 1954.

MADE IN U.S.A.

BALLOON JUPITER

1959

Balloon

This stamp commemorates the carrying of mail by the Balloon Jupiter and was released August 17, 1959, at Lafayette, Indiana. John Wise was to have made his flight on the 16th, but postponed it until the following day because of a faulty gas valve.

PAN AMERICAN GAMES

1959

Runner with Flaming Torch

This 10c air mail stamp was released at Chicago, Ill., on August 27, 1959, to mark the opening there of the Pan American Games. The design illustrates a runner holding high a flaming torch.

ALASKA STATEHOOD

1959

Map of Alaska

The territory of Alaska became the forty-ninth State on January 3, 1959. This stamp marks the admission to Statehood and features the "Big Dipper" and North Star as portrayed on the Alaskan flag, superimposed on a map of Alaska. The stamp is engraved in blue, matching the color of the Alaskan flag.

15¢ AIR MAIL

1959

Statue of Liberty

The 15c international air mail stamp, intended primarily for use on mail matter to Europe and the Middle East, features a drawing of the Statue of Liberty, with the slogan "LIBERTY FOR ALL." It was placed on first day sale November 20, 1959, during the eleventh annual National Postage Stamp Show in New York.

HAWAII STATEHOOD

1959

Worrior, Map & Star

Hawaii was admitted to the Union as a State on August 21, 1959. This stamp was released to commemorate statehood and was placed on first day sale August 21st. The design was chosen in an Island-wide competition, the winner being Joseph Feher.

10¢ LIBERTY AIR MAIL

1960

Liberty Bell

The Liberty Bell is the symbol of America to the people to the South in the Latin American countries. For this reason, the Liberty Bell was used in this new 10c air mail design which covers the air postage rate to Central and South America.

7¢ FIRE RED COIL

1960

7¢ FIRE RED AIR MAIL

1960

Jet Airliner

This seven cent airmail stamp in sheet form was placed on sale at Arlington, Va. on August 12, 1960, in conjunction with the annual convention of the American Air Mail Society. It was printed in a distinct shade of red as a means of facilitating the handling of air mail letters.

UNITED STATES AIRMAILS

LIBERTY BELL

1961

Liberty Bell

Issued to cover new international air mail rates, this 13c stamp paid postage on ½ oz. air mail letters to Bermuda, Central America (other than Mexico), the Carribbean Area and Saint Pierre and Miquelon.

CAPITOL

1962

Jet Airliner over Capitol

Increases in air mail postage rates resulted in the issue of this 8c air mail stamp picturing a jet airliner flying over the United States Capitol in Washington, D. C.

LIBERTY

1961

Statue of Liberty

Slight corrections were made in the design of the 15c stamp released in 1959 to coincide with the 10c and 25c denominations of the set. The orange border around the Statue of Liberty has been removed in this revised issue.

MONTGOMERY BLAIR

1963

Blair, World, and Letters

Montgomery Blair, Postmaster General under Abraham Lincoln, helped set up the first universal postal conference, held in Paris in 1863. From this meeting emerged the Universal Postal Union, a reciprocal agreement under which the nations of the world carry one another's mail.

EAGLE

1963

Bald Eagle

Along with air letter mail rate increases, the air postal card rate was raised from 5c to 6c. This stamp, picturing a bald eagle, was placed on first day sale July 12, 1963.

AMELIA EARHART

1963

Amelia Earhart

This stamp had its first day sale July 24, 1963, in Atchison, Kansas, Amelia Earhart's birthplace. In 1932 Miss Earhart became the first woman to fly the Atlantic solo. Five years later she was lost in the Pacific during an attempted around-the-world flight through uncharted skies.
