January 1868 Series - Type IV

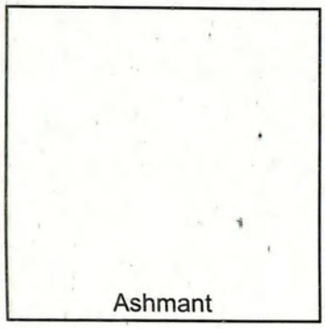

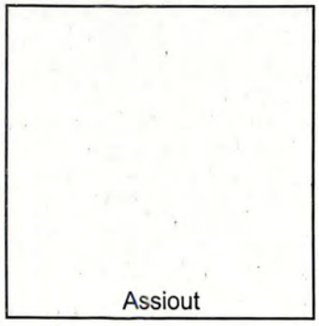

Inscribed POSTE VICE REALI EGIZIANE in white letters on a background of cross-hatching around the top arch; and town name in colored letters around bottom of the same arch panel. The whole inclosed by e circular frame of thick, thin lines and finally, around outside, a double-thick line measuring 39 mm. in diameter. The Arabic inscription "Bustah Masrieh Mirieh", is arranged in three lines in the center in colored lettering on a background of fine vertical lines.

1. The letter "O" of POSTE is rectangular.
2. The letter "G" in EGIZIANE is clear and distinct.

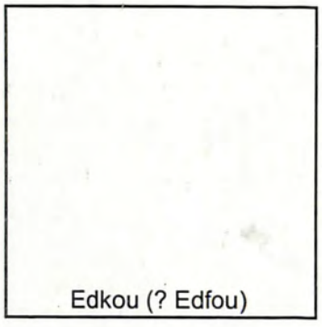

They are all printed in black on colored paper except as mentioned. Printed in sheets of 60.
